Session 2020-21 Activity Report

Date: 29/02/2020

- Topic** : Simulation of Power Converter using MATLAB
- Expert** : Prof. M. Y. Jambulkar and Prof. A. M. Dodke Assistant Professor, Nagpur Institute of Technology, Nagpur
- Date** : 19-01-2021 to 20-01-2021
- Details of Participants:** HOD, all teaching faculties of Electrical Engineering Department and Third (5thSem) and Final Year (7thSem) Students
- Aim** :To deliver key aspects in Power Converter using MATLAB.
- Objectives** : To understand Simulation of Power Converter using MATLAB

Introduction:

Department of Electrical Engineering , Nagpur Institute of Technology, Nagpur organized a Workshop as part of curriculum based on “Simulation of Power Converter using MATLAB” for the 3rd and Final Year (BE) Electrical Engineering Students on 19-01-2021 to 20-01-2021 . Expert was Prof. M. Y. Jambulkar and Prof. A. M. Dodke Assistant Professor, Nagpur Institute of Technology, Nagpur . The Faculties delivered the Session considering future aspects to Simulation of Power Converter using MATLAB with applications as in today's era.

Outcome of Seminar:

Students get to know theoretical and Practical part of simulation of Power Converter using MATLAB

Conclusion:

Students get knowledge about simulation of Power Converter using MATLAB Theoretically and Practically.

Acknowledgment:

On behalf of the Electrical Engineering Department we sincerely thank Prof. M. Y. Jambulkar and Prof. A. M. Dodke Assistant Professor, Nagpur Institute of Technology, Nagpur for Taking Workshop on “Simulation of Power Converter using MATLABSimulation of Power Converter using MATLAB”to our students.

Session 2019-20 Activity Report

Date: 29/02/2020

Topic : Online Workshop on PV Solar
Expert : Mr. Shrikant Ganjare, Co-Founder, Think solar Nagpur
Date : 28-02-2020 to 29-02-2020.

Details of Participants: HOD, all teaching faculties of Electrical Engineering Department and Third (5thSem) and Final Year (7thSem) Students

Aim :To deliver key aspects in Workshop on PV Solar

Objectives : This Seminar will learn the following:
To understand Workshop on PV Solar

Introduction:

Department of Electrical Engineering , Nagpur Institute of Technology, Nagpur organized a Workshop as part of curriculum based on “Workshop on PV Solar” for the 3rd and Final Year (BE) Electrical Engineering Students on 28-02-2020 to 29-02-2020. Expert was Mr. Shrikant Ganjare, Co-Founder, Think solar Nagpur. The Guest delivered the Session considering future aspects to Research in Solar and its design with applications as in today's era.

Outcome of Seminar:

Students get to know theoretical and Practical part of Solar to fill the gap between academic and industry

Conclusion:

Students get knowledge about Solar PV Installation Theoretically and Practically.

Acknowledgment:

On behalf of the Electrical Engineering Department we sincerely thank Mr. Shrikant Ganjare, Co-Founder, Think solar Nagpur for accepting our invitation and Taking Workshop on “Solar PV ”to our students.

Our deep sense of gratitude to Dr. Amol Deshmukh, Principal, N.I.T. for providing support in organizing the Seminar.

Session 2019-20 Activity Report

Date: 27/02/2020

Topic of Seminar: Drawing Software for Electrical Engineers

Expert: Er. Akash A. Thakre, Electrical Design Engineer, Astral Informatics Pvt. Ltd, Nagpur

Date: 27th February 2020

Details of Participants: HOD, all teaching faculties of Electrical Engineering Department, 6th and 8th semester Electrical Engg. Students.

Aim: To bestow the students with knowledge and latest technical updates about Drawing Softwares for Electrical Engineering.

Objective:

- 1) To understand basics of Electrical Drawings and its use in engineering.
- 2) To study various drawing softwares.

Introduction:

Department of Electrical Engineering, Nagpur Institute of Technology, Nagpur organized a Guest Seminar as part of curriculum based on “Drawing Softwares for Electrical Engineers” for the ‘6th and 8th Semester(BE) Electrical Engineering Students on 27th February 2020. Expert faculty - Er. Akash A. Thakre, Electrical Design Engineer, Astral Informatics Pvt. Ltd, Nagpur. The Guest made the students acquainted with Drawing Softwares for Electrical Engineers.

Outcome of Seminar:

1. The Seminar cleared the basic knowledge regarding drawing software.
2. Students are provided with some demo software to draw simulation diagrams.

Conclusion:

Outcomes of the Seminar were fulfilled and students benefited as they got to know about the software.
